## IMPROVEMENT PRACTITIONER

Identify and lead the delivery of change across organisational functions and processes.

> **Duration**

14 months

> **Route**

Business and administration

## THE ROLE

Improvement Practitioners use a blend of Lean and Six Sigma, project and change management principles and tools to identify and lead the delivery of change across organisational functions and processes. Improvement Practitioners can be found across all sectors and functions including automotive, banking, engineering, food products, IT, property, retail, telecoms etc.
